Take Control of Your Medicare

Create a Medicare.gov Account

Did you know you can access your Medicare information online anytime? A free, secure Medicare.gov account helps you stay informed, review your health coverage, and monitor claims—all in one convenient place.

What can you do with a Medicare.gov account?

- ✓ Review Medicare claims for services and supplies billed to Medicare.
- ✓ Check your Medicare coverage and benefits.
- ✓ View available prescription and medication information.
- ✓ Keep important Medicare information organized.
- ✓ Spot possible fraud or errors by checking unfamiliar charges.
